

Supporting Geneva Point Center

Being a member of Geneva Point Center means that you support a special, important and increasingly rare resource: A spectacular and large piece of Lake Winnepesaukee property that is affordably accessible to thousands of families and individuals each year, and supports hundreds of distinctive organizations that all do something to help make the world a better place.

Annual Membership Three Ways to be a Member

Annual Fund

Geneva Point's Annual Fund turns individual gifts into collective energy and action. It is camp or conference participants, former campers, parents, staff alumni, volunteers, former board members and others who care about Geneva Point working together to make an immediate difference. Annual fund contributions enable Geneva Point to invest in the physical campus and its furnishings, care for and replace recreational equipment, maintain a camp nurse and health center, find, prepare and care for seasonal staff, and help keep up with the costs of everything from maintaining wireless internet service to fire safety equipment.

Annual Friends of Winni

Friends of Winni contributions go straight to support each year's top priority building and grounds projects. In recent years Annual Friends of Winni gifts have helped to make major improvements all over Geneva Point. Each year, Geneva Point designates one or a few projects as top priority major projects.

Sustaining a Better Geneva Point (Automatic Monthly Giving)

Sustaining Membership gifts constantly maintain your membership while providing a critical flow of Annual Fund support.

Stewards of Geneva Point's Future - Bequests and Planned Gifts

Since 1919, each generation is called to take up the charge of Geneva Point's long term stewardship. That kind of stewardship is the only guarantee that GPC will continue to be a place that helps to build a better world by being a profoundly positive presence in the lives of children and adults, alike. As a member of the Geneva Point community, you can play a vital part in preserving this great legacy for future generations by remembering GPC in your will.

Whether you are creating or rewriting a will, or by adding a simple codicil to an existing will, you can be one of the stewards of Geneva Point's future. Your bequest can take any of several forms that complement your estate plan:

Outright Bequest—this can include a specific dollar amount or named securities, personal property, such as works of art or valuable collections, or real estate. *Sample language: I give to Geneva Point Center Inc., located in Moultonborough, New Hampshire, the sum of (amount) for its general purposes.*

Rest and Residue of Estate—this can include the gift of all or a portion of your estate remaining after specific bequests to others have been fulfilled. *Sample language: I give to Geneva Point Center Inc., located in Moultonborough, New Hampshire, all (or a stated percentage) of the rest, residue, and remainder of my estate for its general purposes.*

Conditional Bequest—this bequest is only fulfilled in the event that a specific named recipient does not survive you, in which case their interest would pass to GPC. *Sample language: If my spouse does not survive me, I give the sum of (amount) to Geneva Point Center Inc., located in Moultonborough, New Hampshire, for its general purposes.*

Restricting Your Bequest—you may wish to restrict your bequest to a specific purpose such as the care of a particular building, scholarships to help individuals or families participate in camps or conference at Geneva Point or, the care and improvement of Geneva Point's waterfront.

Charitable Remainder Trusts—all or a portion of your estate can be used to fund a charitable remainder trust (CRT). CRTs provide an annual income to a named beneficiary, either for the beneficiary's life, or for a period of years, at the end of which the remaining value of the trust is given to Geneva Point Center Inc. A CRT can be managed by a bank, or other fiduciary agent.
